Our Mission and Mandate

All kids have the same love and passion for music.

Regent Park School of Music is here to make sure that as many kids as possible receive a music education, by removing the financial obstacle. This year, **we are set to give 1,000 young people aged 3-18 a highly subsidized quality music education** at our central hub in Daniels Spectrum in **Regent Park and Jane and Finch**.

Our students have access to over 80 dedicated music teachers and an array of musical options and instruments. They learn everything from classical piano and violin to turntablism and electronic music. Music allows them to flourish creatively, personally and even academically...enriching their lives and future prospects. More information can be found at **rpmusic.org**.

We would much appreciate you covering the fee of your Police Check (\$20), however if required, RPSM can reimburse you for this expense if you save the receipt.
